West Midland Regional Championships 2018 – Event Timings

Please note - the finish timings in this document should be treated as a guide only. The gala will run at its own pace. The start times are slightly different on different days and the gala will not be held to accommodate late arrivals. It is the swimmers responsibility to ensure that they are at the venue in good time.

Warmups will start one hour before the published session start time for heats sessions, and 30 minutes before for the finals sessions.
